The Premises:

Ego Massage is located in the Old Coach House. It is accessed from the service road that runs behind the shops, parallel to Aylesbury Street. It is here that you will find a free council car park. Hence entry to the Old Coach House is very discreet. There is also a free council car park at the corner of Napier Street and Victor Road, about 100 yards from the Old Coach House. The Old Coach House is comfortable and clean. The showers are operated by a push button and deliver a fixed volume of water, if you need more water you have to push the button again. Unfortunately there is no temperature control. When it is a hot day, as it was today, the showers are too hot.

The Lady:

This was my second session with Jamie, the first being a year ago. I thought Jamie had put on a bit of weight since then. She is not quite as slim as her photos suggest, but don't let this put you off. She is drop dead gorgeous, probably the best looking girl at Ego Massage. Her photos do not show what a lovely face she has, nor what an encouraging smile.

The Story:

I had originally arranged to see Rachael, but when I phoned to confirm I was told that Rachael had phoned in sick and Jamie was standing in for her. I had enjoyed my first session with Jamie, so I opted to see her again. Boy, I am glad I did. This session was much better than the first, it was probably the best session I have had at Ego Massage.

I have seen all the girls except Rosie plus a couple who have left. Jamie was more engaged in the session and more pro-active than any of the other girls. I think we must have done everything that is within the house rules. Jamie obviously understands that the sessions are not really about massaging, but about arousal and stimulation leading to a 'happy ending'.

She was very good at it, indulging my sexual peccadilloes along the way.

I will definitely see Jamie again and I can thoroughly recommend her.
