A beautiful redhead, stunning sculptured body head to feet, and I mean head to feet... everything on her profile is accurate with regards to pictures and service.

The Story:

In my humble opinion this establishment is so well run and organised with such a fabulous array of ladies Monday to Sunday it is extremely hard to stop coming back... I have always wanted to visit Sabrina however my schedule did not permit me to see her until today.. I was glad to hear she was free in the late afternoon as this is the only time I had so I booked in as per usual and turned up at the appointment time.

Lovely and friendly receptionist named Candy, as she was escorting me to my room "she was a sexy looking woman too, couldn't help but glance at her legs and lower extremities as she led me up the stairs.. sorry for perving"...

Sabrina shortly came in after... first impression, very friendly, puts you at ease and just a knockout both looks and personality, we immediately snogged and got acquainted with each other bodies... she has a great bum, long legs and her ivory porcelain complexion was a sight to behold... and so smooth and soft to touch.

What transpired was a 1st class service, Sabrina accommodated all of my requests and then some, she far exceeded my expectations.

Probably one of the best encounters I've had since frequenting this establishment.

I can't recommend Sabrina enough, a huge asset and credit to Massage Northampton, I just hope

visitors both past, present and future gives this place and the ladies that work there the respect they truly deserve... in other words don't be a twat, be respectful, polite and timely and you would most likely have a great time again and again.

I would be back again... Thanks Sabrina and Good luck with you know what !!!
