The Story:

I had previously seen Pippa when she worked at another establishment in the East Midlands, so it was an easy choice to make.

Once again, I had asked for a room on the 1st or 2nd Floor as they are nearer to the bathrooms. On arrival, I was asked to wait in the kitchen so another punter or two could leave. After they left I was shown to the makeshift bedroom next the kitchen with only a curtain separating it from the store area.

Pippa arrived and did ask if there was another room available. However, with 6 or 7 WG's that day and only 4 rooms available we had to stay in the storeroom aka bedroom.

Got straight down to business with plenty of DFK before Pippa moved south for some sloppy OWO, ball sucking, and teasing my ass. She used a range of my butt plugs on my ass before getting a rubber on and riding me reverse cowgirl. At my request we changed to doggy, before I pulled out and covered her ample bosom with my love paste.

I would certainly return to see Pippa again and hope that I don't get a ground floor room again!!!

During the hour, there was what felt like a constant procession of people right outside the door having a variety of conversations which was a little off putting. It would be nice if the owners could find somewhere bigger if they insist on having up to 8 WG's working from such a cramped venue.
