### The Premises:

Queensway. Grotty flat up some stairs above a kebab shop.

### The Lady:

I was already thinking it was a mistake when I rang the doorbell, but the door was opened by Memory who was wearing one of the outfits on her profile. She looked pretty good and smiled nicely, so despite my trepidation I entered a rather dark and dirty bed sit. The door closed and Kasha appeared. Big tits already on display and I thought there's one more Y chromosome in this room than I was anticipating.

### The Story:

I showered in the tiny bathroom. At least the towel seemed clean. I came out, removed the towel and Kasha got onto her knees. She took my cock in her mouth and had clearly done this sort of thing before. Memory kissed and fondled, but it was all a bit fake... obviously it's always fake, but sometimes it's better than others.

Pretty quickly I was on my back with Memory on my cock whilst Kasha licked my balls, then over to fuck Memory from behind whilst Kasha tried to kiss me... but I avoided. Then into Memory's arse, a few pumps and that was that.

I declined a massage and went to the gym for a long shower.
