The Premises:

Nice flat in Bayswater, close to the tube and easy parking. Building was easy to find and a bit grander than the usual. As I approached the front door it was opened by a nice older lady who let me in as she was leaving. I didn't tell her why I was there. Up some smart stairs, greeted by another resident on her way down. All very friendly.

The flat itself I didn't really see, the bedroom was small and undecorated, but clean. Bathroom was good, good shower and clean towels.

The Lady:

I like this agency for its own rating system, with some girls listed as a 'Top Girl'. In my experience these girls tend to go the extra mile and act as if they enjoy it. Certainly this was the case with Bella. She's tall, wore a skimpy outfit, very slim and very friendly. Apparently Italian and speaks very good English. Sitting me down she asked what I wanted... which was her to be a masseuse who can't help herself and takes things too far. She understood, I had a quick shower and came back in the room.

The Story:

She lay me face down on the bed and gave me a gentle massage whilst whispering in my ear. Pretty quickly she turned me over and paid a bit more attention to parts of my anatomy that would normally be off limits. She made a lot of eye contact as took me deep in her mouth. Then she stood above me, her long legs all the way up to her firm backside, and stripped. She turned around and gently lowered herself onto my face, and took my cock in her mouth again.

Moving forward she fucked me reverse cowgirl, which was a truly amazing sight. A couple of positions and then a finish in her hands.

I thought, 'over so soon?' But a check of my watch showed time had flown by, and I'd been there an hour.

I'll be back for more games soon:
