### The Premises:

Doorway on Kettering Rd. Very discrete.

### The Lady:

Wow. Far better than you might hope from MN site.

Small, pretty blonde.

Has a very naughty side.

### The Story:

Arrived 10 mins early. Hi Rustler, go up to room 2 [best room]. Showered, blindfold on and wait for Rae. Door opens. I am sitting in the chair. We have not met before. Rae approaches and kneels between my legs. We whisper to each other. I feel for her. She is close. I gently feel for her hair, stockings and underwear. As we whisper, she tells me black stockings. Blue suspenders, no heels. We kiss. There is no hesitation.

I ask Rae if I can greet her in a very intimate way without even seeing her. Yes. I am lead to the bed. My towel falls away. She is impressed. Within 3 minutes of meeting her I am greeting Rae very deeply. Wonderful.

We have all seen website pictures of girls only to find it bears no resemblance, in a bad way. Rae is not that. Far far better than the pictures. Really pretty and very naughty.

Follows 2hrs of fun and naughty play. Rae is as naughty as me and that is going some.

Half way we stop for a cuddle and decide what we liked and wanted more of. Actually, Rae had been using me for her pleasure and things were getting close.

We have all done this before. Seldom do you meet a girl who is 200% better than hoped. Rae is one.

Together we decided it was my turn. But where? We decided on her tits. This turned her on no end. This was to be a team effort. What a good choice, with a happy ending. The prize being all consumed.

We still had time to spare. Rae and I cuddled and chatted. Pretty with intelligence to boot.

So, recommend. Yes, very highly. Repeat, yes very soon.

Rae is an absolute delight.

Rustler x
