Met in the usual place close to Sainsbury's.

Nice clean room with ensuite bathroom to wash up afterwards.

The Lady:

I had booked Gemma and Jamiee for a duo.

I had seen Jamiee before and she has is pretty with a beautiful body. Jamiee walked into the bedroom first and brought in a jaw-droppingly gorgeous, tanned friend with long black hair and an absolutely perfect slim body.

Gemma's picture showed a blonde girl and so I asked if it was Gemma only to find out it was Jess. Wow! I was very happy with the substitution!!!

Jess has the most perfect all over tan and had a lovely pretty jewell in her navel. Both girls have slim, perfect bodies - not an ounce of fat and both have gorgeous, sexy, small peachy bums. The room was very warm because it was a hot day and so they couldn't wear stockings (which I will definitely get them to do next time). However, there was a fan in the room to cool us down as we got down to action.

The Story:

OMG - where do I start?

I've been with a few girls for duo only to find out that one of them was bigger than in their profile pictures. That's absolutely not the case with these two sex sirens.

Although Jess and Jamiee don't do interactive they were very happy to kiss each other. We even had a three-way kiss which was magic with such beautiful girls. They started by sucking my cock and balls together and from time to time one of them would move up to kiss me. They clearly enjoy what they are doing and I love the fact that they smiled at me and giggled as they got to work.

At one point Jamiee was sucking away whilst Jess was kissing me. Jess grabbed my hand several times and pushed it onto one of her beautiful tits - all the time looking me in the eye and smiling. Jamiee asked me who I would like to fuck. I had been with Jamiee before so I chose Jess.

Jess sat on my cock cowboy style, again smiling and looking me in the eye, whilst Jamiee licked my balls. Could it get any better than that? They then removed the condom and both of them began sucking my cock again - giggling and smiling.

Jamiee then said " give us your spunk". I asked the girls to lie on their backs side-by-side and for them both to play with themselves. They did this willingly with the added bonus that they kissed each other whilst masturbating.

The sight of their hands blurring away on their shaven pussies whilst they kissed each other was a joy to behold and I couldn't stop smiling. Two beautiful slim, gorgeous babes doing whatever I asked of them whilst I wanked myself between them and spurted a big load.

I have never been with a girl in my life with a tan like Jess - wow, wow, wow! I didn't ask how old Jamiee is but Jess told me she is 22. I would guess that Jamiee is 25/26.

Girls, if you are reading this I am in love with you both! I will bring the chocolates and wine next time and when it is a little cooler I hope to see you both in stockings and suspenders - and for longer!
