The Premises:

Cezara has a nice place in the Earls Court area. Luckily enough it wasn't far from where I was staying so it was nice and easy to find and access. Comfortable apartment, spacious and very well furnished with some quite old, vintage furniture. Looked very classy. To be greeted by Cezara in a place like this just seemed right.

The Lady:

Cezara is a very natural looking woman. Not super model beautiful, but very attractive. She has a great body too, all natural. She is confident, chatty, intelligent and really entertaining to be with. She has a great personality. She must be around her mid-late twenties in age I'd say.

The Story:

I'm not saying that the other Russians I've seen are unfriendly by any means, but Cezara really does put them to shame because she's just so very naturally confident. She loves to have a laugh and really got into our booking. I felt like there was a genuine attraction. She told me she was out with the girls in the pub having a quick drink when she got the call from the agency, and she was hoping it was a "nice guy" that she had to leave them for. She said she was very happy it was me. She was dressed in a black knickers and bra, hold up lace and silk stockings with a red silky robe on the top and some high heel. She looked really nice.

We kind of just clicked straight away. Started kissing very passionately. She walked me to the shower, still grabbing at my body and kissing me. It was like a real girlfriend experience. When I returned I sat on the edge of the bed whilst she paraded herself in front of me and then she kissed me again before going down on me. Her OWO is very good, with lots of noises and a lot of eye contact just like I like it. We moved onto the bed after a while and played with each other some more. Lots of kissing again. She I knelt above her and she started sucking me again greedily, whilst I played with her pussy and made her very wet. She pushed my fingers deep inside her and she started to grind herself against me. After a short time she grabbed a condom from the drawer and we were at it. I fucked her still kneeling, watching her tits move around while she played with her clit. It wasn't long before she climaxed.

We moved into some doggy and then with her lying down, before she climbed on top and we went

cowgirl for the last stretch. I think she was building up to climax again actually, but I couldn't hold off any longer and just exploded inside her. It felt right. She collapsed onto me and we both lay there for a while all hot and sweaty. It was a very hot and sweaty night in London for me!
