This is one of the best establishments in the UK who hire grade A genuine British MILFs

The Lady:

Going to keep this brief. Charlotte is a super hot blonde MILF. Google American Porn star Sara Jay and she is pretty much the same.

Great body.... completely fuckable and naughty from the outset!

The Story:

Whenever I drive towards Lutterworth I get aroused. Victoria House is a premium establishment which I have been going to for years. They hire the best of the best, the kind of girls you have always wanted to see.

Booked with Charlotte and really wasn't disappointed. Wow that body.... when this blonde, with a slim size 10 figure bursting out the front with an ass which would shame any Brazilian walked up the stairs and asked Alex?? I nearly shot my load then and then.

Grabbed her hand and led her to my favourite neon room three. No sooner had the door shut, than she was full french kissing me. She then sat of the massage table spread her stockinged legs, pulled her tiny G string to one side and asked me to "lick my clit!" I duly obliged sucked and spat on her click while finger fucking her pussy deep which turned on an immediate flow of juice..... she got real wet and was growning...." yes yes fuck me yes!"

This super hot girl got in a series of porn like poses on the round bed. I enjoyed fucking her with her legs open, then some 69 and face sitting... she is the perfect PAWG and this was epic.

The finale can while fucking her hard from behind. I started to play with her arsehole and slowly buried my thumb deep inside her, which made her respond with ecstasy and push back on me as we fucked like a well oiled train to the sound of her shouting in her sexy Birmingham accent "Fuck me fuck me.... hard harder.. go on go yo mekking me cum... go on fuck me!!! as I drove my rigid

cock into her pussy and my thumb into her ass. One of the best sessions I have enjoyed for a couple of months.

So if you find yourself near Lutterworth on a Sunday Charlotte will make you wish you had seen her sooner.

Now looking for an excuse to head back up to Leics!
