### The Premises:

Usual premises ably managed by Coco who is adept at juggling girls,guys and rooms.

### The Lady:

Extraordinarily pretty slim young brunette,long legs,perfect bum,pert breasts with nipples that are very responsive,tanned and toned with a very mischievous look in her eyes and a quite delightful fully shaved pussy.

### The Story:

This was an amazing half hour with a quite unique young lady who gives a very bespoke and tailored service to her clients needs,nothing run of the mill or service by numbers here.Checked throughout the appointment that I was happy how things were progressing and I could not have been happier.Light massage to start then Daisy lay back on the bed,spread those long legs wide and I licked her sweet little pussy and perfectly formed bum to my hearts content,could have stayed there forever but Daisy wanted my cock in her mouth and an expert bbbj ensued until I needed to be inside Daisy and she rolled the rubber over my hard cock and rode me in reverse cowgirl,what a sight that fine arse going up and down and my cock sliding in and out of her.I wanted to finish on her tits so off with the condom and much vocal encouragement from Daisy to unload my spunk over her little titties and she drained me dry.Great time with a great girl.
