The Premises:

I met Eva at the apartment linked to Club Classique. It's discreet and offers a more spacious environment than the Club, and the guarantee of a double bed.

There is on street parking nearby.

The Lady:

Eva opened the door wearing a red and black body and high heels. She looked stunning, her photos really do her justice. She is slim and petite and extremely pretty. She is a student in London so she is accurately describing her as mid 20's.

The Story:

Eva offered me a welcome drink as I stripped naked in the room. I asked for a gfe and she duly obliged. On the bed we started with a massage which was nice and accompanied by Eva slapping my ass a few times, and then I turned over, with a nice hard cock. Eva handcuffed my hands above my head and sat on my face grinding her pussy into my mouth as well performed oral sex on her. Then she gave me OWO and then she spat in my mouth before having another ride on my face.

On with the condom and she reverse cowgirl me so I could watch my cock going deep inside her lovely tight pussy.

Then she rode me cowgirl to a welcome orgasm,

A lovely lady, no rush at all, and I am sure I will see her again soon.

Highly recommended indeed.
