The Story:

When she came into the room she apologised for not wearing shoes - but, considering that I'm only 5'3", this was probably a good thing. She immediately gave me a kiss and a cuddle and undressed me. She then asked me what I wanted. I explained that I'm too old for gymnastics. I haven't had full sex for nearly 15 years - and haven't really missed it. I said that what I have missed is the cuddles, kissing - and a hand that isn't mine. I've had a few visits to Ego and have had good experiences with one lady in particular, but there was always a degree of intimacy missing. Morgan provided it in spades! We started off kissing and cuddling while Morgan gently stroked my cock. After a while she gave me the most amazing oral. Then I removed her bra and started sucking those gorgeous nipples followed by more oral and a session of mutual masturbation. I was in heaven and didn't really want to go any further, and finished coming all over her generous natural boobies. We had about 10 minutes left and chatted quite naturally - about tattoos of all things. She really put me at ease and I left feeling very relaxed and happy. I shall certainly be back. A real GFE. Perhaps I'll ask for CIM next time?
