The Premises:

Usually Fenny Stratford venue, clean, well run established with very friendly and very cute maid.

The Lady:

Very pretty, tall, leggy, sultry, busty, brunette of Brazilian/Italian extraction wearing very sexy red lingerie and a big smile.

The Story:

I was hard at 'Hi ' and it just got better and better. Very long standing bout of tonsil tennis with much mutual groping and Marina sliding her hand inside my boxers and playing with my cock. Removed the red lingerie to feast on a fab pair of tits with perfect suckable nipples and a bum that was so strokeable that I could hardly leave it alone. Condom on and Marina pulled me deeper and deeper into her as we continued kissing in mish. Got Marina to lay back and spread those long legs to allow me to tongue her sweet pussy and bum for a long time. Marina got on board and rode me to heaven and back. Another winner at MKE. Continued kissing after the event and all the way to the door. Lovely, friendly and super sexy lady.
