### The Premises:

Just above House of Divine 2 in Victoria. Easy to get to from the tube station. Had a shower and was offered a drink by the maid.

### The Lady:

Morgan is a gorgeous English brunette with a bubbly nature. I knew this was going to be a good one when she came in smiling and greeted me with a kiss on the lips. She has large natural breasts, a curvy bum and her pussy had a few days growth, which I found a turn on.

### The Story:

Having sorted out the money, we got onto the bed and Morgan began playing with my cock before asking me if I wanted OW or OWO. I opted for OWO, of course. She gave a lovely slow blow job and licked my balls, too. Plenty of eye contact. We then moved on to a few minutes of missionary sex before Morgan asked me to sit on top of her and I had a tit wank with my cock occasionally popping in her mouth while doing so. To say that this was great would be an understatement! Back to more sex after that and sensing that time was running out, I pulled the condom off and started wanking till I eventually came in Morgan's mouth. She let some dribble on her chin and teased if I would like to lick it off. An offer I was glad to refuse! Morgan was great fun and has a great sense of humour and I would definitely like to see her again in the future. Possibly with Frankie, who I have seen a few times over the years, and a threesome with those two would be heaven.

Had a nice chat with Morgan while getting my clothes on and on the way out said hi to Louise, who I saw at the same venue just over a month ago (see Review 128213). So many great girls at House of Divine and Morgan is up there with the best of them. Highly recommended.
