The Premises:

A 1960s low rise flat in a block. Very discreet entrance, entry via intercom/buzzer. It was very clean and cool inside plus there was a shower facility. The flat was located on Gravel Hill.

The Lady:

A tall, fair skinned European girl with lovely long dark hair and brown eyes. She had small A cup breasts and a really shapely bum. She had the figure of an athlete.

The Story:

This was a very relaxing punt. It is always a huge bonus when there are no language difficulties. I took the opportunity of a shower because it was a hot day. I didn't need much by way of foreplay so I enjoyed the conversation with my right hand squeezing her bum. We then proceeded to have protected sex in doggy position so I could get maximum stimulation from the view of her shapely bum. I wasn't hurried and took my time while pounding away to completion.
