The Premises:

As described many times before, easy to find and discreet (although I don't come from the area, so don't care too much about that, although others will).

Very pleasant furnished premises with four rooms in total. Cold drinks offered.

The Lady:

New girl here, and I was won over by her stockinged legs in the photo. I was not disappointed, she is very leggy and tall (even after she took the high heels off!). Long black hair, long very shapely legs, nice tits with big nipples - gorgeous in a word.

The Story:

I made a big mistake here, as I only had time for a 20 min appointment, but should instead have gone for longer the next day, although in the end I couldn't have made it after all so I suppose it all worked out OK. I decided to forgo penetration given that I had little time, and all the girls here (I have now been four times) like to kiss and cuddle, so we had some of that. I then asked Marina to bend over the bed so that I could gently pull her knickers down and feast my eyes on those long legs, and gently stroke her pussy.

This naturally led to a serious pussy licking session as she lay back on the bed and spread her legs wide. She may just have been making noises of course, but it seemed as though she was also really enjoying it and I hoped to make her cum, but I don't think she did.

Running out of time, so my turn now; she put a condom on for oral, which surprised me a bit as the other girls here do OWO (and it does say on her profile that she does all services apart from swallow and anal) but it was so good that it didn't matter (I would probably have cum too quick if it had been OWO). Lots of eye contact which is a big turn on for me.

Things led towards their natural conclusion, so I asked her if could cum in her mouth, but to my surprise and disappointment she said no, so I had to cum on her tits instead.

So, a great 20 minutes, must try and get back for at least 30 minutes or even an hour for a full session, with the only negative being that, in my view, if you advertise a service then you should provide it. Great addition to this fantastic place though.
