### The Premises:

A well reviewed, discrete establishment with plenty of parking available close by.

### The Lady:

The MKE profile has a perfectly accurate description of Olivia, the photos there do not do Olivia justice

### The Story:

I saw Olivia some 18 months ago and when I finally got round to meeting her again it was as though I had only seen her last week. Olivia was wearing a lingerie outfit from one of her profile pictures and looked amazing. I had an amazing sensual time with Olivia, the sex was amazing and we also had a wonderful relaxing time despite the hot and sultry weather conditions that day. Hopefully it won't be another 18 months before I get to see Olivia again.
