The Story:

Nicola is a beauty and when she walked into the room I wrapped her in my arms immediately. We began kissing, this went on for a while, just got lost in her eyes. I soon stripped off and I asked her to keep her bra on, but her knickers off! It was a good look.

Plenty more caressing and kissing before she gave me a deep and nerve tingling blow job. Soon after we got down to business, suited up and took my time. We were both loving it. Nicola took to fiddling and flicking her clitoris with her fingers as I fucked her from behind. She screamed, a lot! I honestly thought she was faking at first, didn't think I was that good lol, but no, she really was shaking and cumming and working up a hell of a sweat. After she came we had a moment of quiet. Then I slid off the condom as she went to work on me.

Nicola laid on her back across the bed as I gently lowered my cock onto her sweet lips. She licked and sucked me intensely until I was ready to explode. Tactfully sliding out of her mouth I shot my load over her face, her chin, lips, cheeks and hair. It was one hell of an orgasm and the first time I have given a facial. Fantastic fun!
