### The Story:

After seeing Jamie in duo booking with Ella last Summer I had always wanted to see Jamie again in a solo booking. Unfortunately my limited trips to London had never clashed with Jamie's schedule until now so I wasn't going to let this opportunity pass. Booked a week in advance and confirmed on the day. I arrived and showered and Jamie joined me shortly afterwards looking amazing in a one piece outfit and heels. We kissed and chatted and it was nice to hear that Jamie had remembered our last meeting. We both stripped and Jamie knelt on the bed and leant backwards to show off her amazing body before naughtily asking me what I wanted to do to her. Fuck you stupid was my initial thought but I managed to restrain myself and instead kissed her body and sucked and kissed her perfect natural tits before I eventually laid on the bed for owo. Jamie showed her oral skills with an awesome uncovered blow job with lots of eye contact. We moved into 69 so I could return the favour before Jamie sat on my face so I could avoid coming too soon but could continue to lick her pussy.

Sex in cowgirl and missionary followed before I could sense myself getting close. I asked to finish in Jamie's mouth and the condom was removed and more oral followed before a cum in mouth finish which Jamie discretely disposed of in a tissue.

We cleaned up and chatted before Jamie's oral skills got me ready for round 2. Reverse showgirl, normal cowgirl and more missionary before the heat and my Saturday night out in London the evening before caught up with me and we spent the remaining few minutes kissing, chatting and continuing to catch up about all sorts of stuff. Just never offer to take her out for dinner as her favourite food is lobster :-). Jamie is a lovely girl with a great personality, naughty sense of humour and such a beautiful smile. Before too long though it was time to go and I left absolutely delighted that I had finally been able to see her again. An amazing time with a beautiful girl. Whilst it was

absolutely worth the wait hopefully it won't be 10 months before I see her again. Awesome stuff,  
thank you Jamie x
