The Premises:

Central Soho in a high rise block. Just as well that the lift was working. A very pleasant roomy flat with a larger than usual bathroom.

The Lady:

Photos are a good likeness. Typically tiny but non typical original and delightful assets.

The Story:

A warm welcome, usual arrangements re cash, glass of water etc. Jazz was wearing not very much but what there was was surprisingly difficult to remove. Contributed to the fun. After initial groping etc, we moved into the bathroom for a shared shower and then proper bath with the shower still flowing to give a jacuzzi effect.

Then back to the bedroom for all the normal games - nothing too adventurous. Delightful OWO, RO, 69 and cowgirl.

Massage often follows the main event but Jazz was something of a specialist. She seemed determined to remove my head from my neck and my neck from my shoulders. I can't describe it as enjoyable but it was certainly skilful and the result was worth it.

A lovely girl.
