The Premises:

Reported on many times... busy street, discreet entrance

The Lady:

Sienna is like her pictures, beautiful curvaceous figure with the softest and supple skin I had the pleasure in touching, her boobs are magnificent, firm and soft at the same time, A sexy MILF

The Story:

Made my way to my appointment with plenty of time as traffic is manic at this time and parking is a nightmare on the side streets...

Entered and was allocated room 1, a few minutes later Sienna entered and she was beaming with vitality, fun and enjoyment. She will put you at ease as she is so down to earth, friendly and has a stark and cheeky wit about her... I knew I picked the right lady for this occasion. She was wearing stockings and a sexy attire, lovely face, great body and a happy go lucky way about her... really engaging.

What transpired was 30 minutes of sensual kissing, oral and having a great time with this lady, she met my expectations and more. It was a pleasure packed session with great banter, play and the feeling your walking on air when you leave...

Love to see her again, especially with what we talked about wink wink...

Another triumph in this establishment... this place keeps hitting the target again and again, I don't think any place can come close to the quality of the ladies working here and how the place is run... it's always seamless and hassle free...

I can't wait to return for another session.

Brilliant !!!
