### The Premises:

I had to pay £1.70ph for local parking. The apartment itself, was very nice and well presented, for a 2 star apartment.

### The Lady:

Very attractive, in slim shape. Beautiful, big brown eyes.

### The Story:

I had arrived at the apartment, and proceeded to the ground floor lifts. I got stopped on the second floor by someone who works there, and was asked, why I was visiting and who I came to see...awkward.

I txt messaged "Asianindian19", and she come to the second floor to come and get me (all seemed good at this point). We then got to the room on 7th floor. She asked me how my day had been? I said yeh good, been work etc...I pay her £170 without her asking me and then used her toilet.

I then came out onto the bed, she looked away as I got close to her. I asked if she was ok, she said yes. She then given me oral (with her back to me, with no effort involved and as if she was bored). It felt

a little awkward at this point, but I didn't want to be rude to her so, carried on and then I asked her if she received oral and she said "no" (it stated on her profile that she does this). So we went into penetration (she looked away, so un-interested). I then stopped it at this point, she didnt even ask me why?? and started going onto her mobile phone. I put my clothes on and quickly left.

She has so many poor reviews on AW and other escort review sites. I feel that I should of listened to them as it was a very poor service/experience for £170ph.

I would strongly advise that people refrain from booking this person, as she has an appalling attitude with no regard for how her clients feel.
