The Premises:

My second visit to this discreet flat with buzzer/intercom entry located about a mile from Eltham station. On this occasion I saw the one girl and wasn't offered a choice.

The Lady:

Possibly the girl profiled except a dress size or two bigger. She had quite large breasts.

The Story:

Despite Sarah not being exactly as pictured I did enjoy the session. The room was very clean and cool and Sarah didn't hurry me. I always treat these punts as a bit of lottery and take them as they come. She caressed me to a strong erection and we had sex in doggy position followed by a tit wank.

I concluded that by coming over her breasts.
