The Premises:

Tracy stays in a spacious basement flat in a quiet road between Notting Hill and Bayswater. Parking easy on a square just north of the end of her road, but lots of residents only until 22:00. It is probably about 5 minutes walk from the tube station. Her flat is immaculately clean with a shower but no bath, nice music on her phone.

The Lady:

Tracy is genuinely attractive, beautiful eyes, smile, perfect mouth, teeth and body to die for, especially if you are a fan of big tits, which I am not but it really did not matter, she is so amazing. Mid twenties, petite, sweet natured and surprisingly shy, she has to be one of the best escorts in London for a soft, sensual gfe. She is recognisable from her photos, but to my eye even more beautiful.

The Story:

I have been away from the scene for a while, and so wanted to be as sure as I could be to choose well, so there is one agency that can be trusted to give genuine recommendations, and Tracy was the assured choice I was given - enough said. Great comms as ever, and happy to book by text. I arrived on time and was greeted with a friendly smile and offered a drink and a shower. After a few minutes of chat (limited English but ok for simple chat) I carried her to the bedroom - she is as light as a feather - and then followed a near perfect 2 hours of gfe, mostly soft, gentle but almost certainly genuine, and certainly responsive. 100% I will visit again, and she does duos too, I can't wait!
