The Premises:

Ego Massage is located in the Old Coach House. It is accessed from the service road that runs behind the shops, parallel to Aylesbury Street. It is here that you will find a free council car park. Hence entry to the Old Coach House is very discreet. There is also a free council car park at the corner of Napier Street and Victor Road, about 100 yards from the Old Coach House. The Old Coach House is comfortable and clean. The showers are operated by a push button and deliver a fixed volume of water, if you need more water you have to push the button again.

The Lady:

This was my second session with Charlie, the first being a year ago. From memory I think Charlie had put on a bit of weight since then. She is not as slender as some of her photos suggest. However this is not a problem for me, she has a lovely figure and a pneumatic bottom.

The Story:

I have seen all the girls except Rosie and three who have left. The sessions are basically all the same, but each girl usually adds something different into the mix. Charlie has a couple of different treats. While still on my front, Charlie climbed on my back from the top of the table so that my head was between her thighs while she 'reached under'. After I had turned over, she climbed on top again and started rubbing her thigh against my cock. We finished with Charlie on her front and me on top giving her a B2B which resulted in an explosive 'happy ending'.

I will definitely see Charlie again and I can thoroughly recommend her.
