### The Premises:

Back street in central Manchester. Entrance is down set of steep stairs, inside it's a warren of rooms, got lost trying to find my way out. Room was basic but clean.

### The Lady:

Tall leggy blonde, enhanced boobs. Brilliant personality. Has large tattoo on her back which doesn't show up in website photos.

### The Story:

Cheap and cheerful punt, doing the usual. Oral on me, uncovered. Then oral on her, good response from her. Followed by sex mish and doggy. With bonus of full on proper french kissing.
