The Lady:

Andie is simply perfect. One of the most stunning girls I have ever seen. Photos are very good, but Andie looks even better in person.

Andie obviously looks after herself. Very toned and beautifully tanned. I can not believe how attractive she is.

Such a beautiful smile. Body is perfect in every way. Perfect English, extremely friendly and made me feel at ease.

The Story:

From the moment I walked in and offered a drink, I was taken back by just how attractive Andie is. She welcomed me in very lovely black lingerie and conversation made me feel very relaxed. Andie has the best smile and sense of humour and we laughed and joked for the time we had which made the experience one of the very best.

I was looking for a close and sensual experience and Andie was just amazing in every way.

Everyone I guess visits for their own reasons and mine is to have a beautiful relaxed, slow and passionate time with a beautiful lady. Andie in my opinion is the very best of the best.

Andie is a very special young lady and deserves the upmost respect and manors.

I can not wait to see Andie again.
