The Story:

This happened a few weeks ago but just decided to create an account and make some reviews.

I booked only to see Paris and on entering the apartment I saw who I believed to be Andi sat in the corner of a room as I walked by. Paris led me into the bedroom and I asked her if Andie was available and if she would like to join us, I was in luck, what an upgrade to an already exciting endeavour.

Paris kept my well occupied until Andie was ready to come in and join, when she did, things just got awesome! Both girls are really hot and took it in turns pleasuring me in all kinds of ways.

We had sex in a couple of positions but for some reason when swapping girls I got some performance anxiety and lost it a bit, really annoying when in this fantastic situation, this was nothing to do with the girls abilities, they are amazing! After a few mins they managed to turn the situation around with some fantastic team work and a memory that will last forever and I left feeling very happy indeed.
