The Story:

This encounter happened roughly two weeks ago, I really cant remember the exact date.

Helen has a really lovely relaxing demeanor, very chilled and sweet. One thing that struck me is her accent, my word it is lovely I could listen to her talk for hours.

This encounter was by no means a boisterous romp but a really nice, slow and sensual GFE type of affair with an incredible relaxing BJ and a very erotic exploration of her amazing figure and a lovely fuck in a couple of positions

All in all a very nice chilled and erotic girlfriend type experience, Helen is wonderful.
