The Premises:

Usual MKEscorts, well reported, today we got the top room which is great because the shower is just opposite the bedroom and there's no one walking around outside the room. Loads of parking in the rear car park.

The Lady:

I've seen some unblurred photo's on MKEscorts twitter feed of this lovely lady, so I had a good idea how beautiful she looked, what I didn't realise was how tall she is which was a nice shock. Very chatty and funny lady.

The Story:

Having taken time off from work I found Monday to be free, my indie had suddenly moved back to Bolton, had crossed wires with seeing Dollar at Annabella's and Camilla was plan C (sorry that's no reflection on the lady what so ever) Phoned ahead and was parked up outside in ten minutes. Met Coco in the car park and she asked if I was going in (makes you wonder if your visiting too much) then straight into the venue and Camilla waiting for me.

Camilla took me upstairs chatting away about football and what team I supported, she has a real knowledge of football apart from being a pretty face. Had my normal pre punt shower and Camilla sat waiting for me to get out (most ladies seem to disappear and take a while to reappear) came back into the room and off come the towel and Camilla started her two-hour assault on me. Normally during a two hour punt I'm good for two pops at the most but Camilla managed three and showed no sign of letting up, at one time she attempted to tie me to the bed to try for a fourth, this lady is unbelievable.

So basically, what was a plan C really should have been plan A, absolute super star and can't wait to see her again, might take a Arsenal football kit and see if shell wear it for me XXX
