The Lady:

A very beautiful and sexy woman. Nice body. Perfect lips. Nice forms and beautiful smile. She is so sexy and hot. She knows how to do the job professional but in a nice and friendly way.

The Story:

As soon as she enter in the room I said to her "daammm girl you are very hot" and she said thank you and she smiles. In that moment I knew that I did a great choice by choosing her for that time. Believe guys she was absolutely amazing. We start with some kisses, then she start to do my a bj and was one of the best bj that I had in my life. After that I couldn't taste her wet and sexy pussy. Then we had sex different positions and one more time I need to say that was one of my best sex that I had in my life. Definitely I will go back for another round.

P.s. guys hardly recommend Alexa she's the top girl at the moment and I think for me will not change. If you want somebody to treat you well choice Alexa.

Alexa thank you !!! You are amazing!!!! ???
