### The Premises:

The usual well run establishment on a busy street with a discreet entrance...

### The Lady:

Sky is just as her pictures, she has a beautiful body head to toes and her skin is extremely soft and smooth, sexy face and a natural red head..., piercing and tattoos also which accentuates her sexy and kinky nature....

### The Story:

Once again I decided to venture to the sexual quadrant of Northampton Massage as the quality of females on offer recently have been astounding, coupled together with a very well run and looked after place, which focuses on customer satisfactory from when you step in to when you leave....

I booked as usual and was pleasantly surprised to see the lovely and beautiful maid Candy there, and she took me to my favourite room upstairs "number 2"..., where she organised refreshments and can see the place is always well run in her very capable hands :).

A slight delay but was for warned about this... eventually the statuesque and beautiful Sky entered and I was very happy with what I had in front of me, she is very engaging, friendly and makes sure you have a great time, nothing is too much trouble.

We engaged in DFK and oral and some other accoutrements that I enjoy, to which she happily obliged, with no hesitation or worries. I am quite lucky to have this place near me to visit as the quality of ladies is truly fantastic and the level of service is even better.

I would be more than happy to keep leaving reviews as I enjoy doing them and it also encourages the continuation of great service and good quality of woman.

Thank you Sky for a wonderful Friday afternoon... and the lovely Candy ;)

I would be back again.... Keep up the great satisfactory rate.
