The Premises:

Very nice clean and discreet flat with shower facilities and a choice of rooms to have fun in about a 10 min walk from Victoria station.

The Lady:

Raven is new to 'the business' and is very sweet and a little shy(at first anyway)and VERY hot physically and wore very hot red lingerie(my fave)and was nearly as tall as me in her killer heels-all of which came off quite quickly!There are no face pics of her available but she is pretty and looks like her website pics.

The Story:

I was greeted at the door by the very friendly maid and shown to the room and she asked me if I would like any refreshments and Raven came into the room in all her ebony beauty about 5 mins later and greeted me with some very sexy DFK and compliments and this combo got me rock hard in seconds.She really does like kissing and its a really good GFE and I spent quite a long time kissing and licking her gorgeous body and making her cum with my mouth(no fingers are allowed with her)Got into a 69 after that and with those luscious big lips sliding deeply up and down my rock hard shaft,I had to do my best not to explode there and then!Its amazing how quickly half an hour can go at house of devine and I wanted to try as many positions as possible with her so started with mish then cowgirl where she came loudly again and finished with doggie and the sight of her perfect,round arse cheeks slamming strongly against me brought me to the point of no return and after some more sucking and stroking I shot a huge load all over her big perky boobs which she just loved.She was very sweet after and cleaned me up and after a little chat I left the room a VERY happy man!! would definetly recommend Raven like I said before as a great GFE and would definetly see her again.
