The Premises:

Raisa's place is not far from Paddington Station. Nice, clean and tidy, with a good shower etc. I felt safe and secure and was made very welcome. There are mirrors all over Raisa's apartment and they are a very welcome addition!

The Lady:

Raisa looks like her pictures for sure. There has been a little touching up, but I actually think the pictures are quite old too. She's not as young as they suggest onsite, I think I remember her telling me that she was around 26-27 or something. She is incredibly beautiful, with a very lovely body. Slim, yet nicely busty, with some very welcome curves. She has the wonderful smile you see in the pictures, but up close it's even better. Her English is fluent and she's very chatty and confident. Perfect for a GFE

The Story:

And a GFE is what I had with her. She was wearing a short red dress when I arrived and her boobs were all pushed up and looking amazing. High heels and only a little makeup. She is naturally beautiful. After my shower she began stripping off her dress and finally got those big boobs out. I had to stand up and hold her tight to feel them against me and I took them each into my mouth and kissed her passionately. Raisa is very responsive and loves to play around. She had her hands all over my cock and soon enough she was giving me really good OWO. She gets things nice and wet and looked at me constantly throughout the experience with a real confidence, not in an awkward way.

Sex seemed to move forward in a really natural way. She climbed on top of me first and really went to work. She was so wet and she took me so deep. Her gentle moans were genuine and very sexy indeed. She pushed her boobs into my face and I sucked on them for a while before spinning her over and doing her in missionary. All the time kissing passionately. Raisa came in this position as I grinded her hard and she lifted her ass up with a pillow to hit the spot, playing with her clit also. It wasn't long before I took off the condom and rammed my dick between her tits. She spat on my cock and lubed it up and looked at me encouragingly for me to cum in between her tits. I did, not long after. I tell you, her eyes alone are enough to make any man cum!

After I helped her a little with clean up, we cuddled like you would a girlfriend, chatted and laughed for a while. I actually went over time with Raisa, but she didn't seem to mind. A lovely young woman who I would definitely see again another time.
