The Premises:

Atlanta has a nice, spacious and clean apartment in the Paddington area. It's easy to find and quite discreet too. The shower is pretty good also, it's one of those wet room type showers.

The Lady:

Atlanta is definitely the girl in the pictures, although there is some photoshopping going on I'm afraid. Still very pretty, very young (about the right age as shown onsite). She has a lovely body, with big natural boobs. A lovely smile, and a very cheerful personality. She was very lively and energetic, but her English is severely lacking. Shame because I bet she'd be even more fun.

The Story:

Atlanta was wearing a black silk, short gown, and underneath she had black bra and panties. After a quick shower I returned and to be honest there wasn't much talking at all. I sat at the end of the bed and watched her as she danced to the music in front of the mirror. She really likes to show off. A breath of fresh air and not just straight down to it. She took off her robe and bounced up and down, dancing in her bra and panties. It was a really lovely sight to see those boobs wobbling around.

When she approached, she took off the bra and put her boobs right in my face. She laughed and shook her tits around me and I loved it. She slipped off her panties and got down on her knees to take me into her mouth. She was quite good at OWO, but not the best. Couldn't quite manage a lot, but she was still enthusiastic enough. After this it was clear that she was getting quite worked up herself, considering she'd been playing with her pussy at the same time. She laid back on the bed and muttered something I couldn't quite understand, expect for "tight pussy". So I had to try that out. We covered up and I got to work. She really was very tight and I loved cushioning myself on those big tits, feeling them and shaking them around whilst I fucked her. I got on my knees then and raised myself above her whilst we carried on in this position, so that I could see those boobs move around. She took the hint and folded her arms underneath them to make them stay in the middle and shake even more. She's very intuitive.

We moved into doggy for a while, but it was a little bit too deep for her to handle. But I did love reaching around to grab her boobs whenever I had the opportunity. She moved on top for a while so

we could get some bouncing action going on again in this position, and she seemed to enjoy teasing me with those boobs in my face and mouth. Certainly too much to handle. At this point I was so close that I quickly pushed her off and whipped the condom off. She was very quick to move to the end of the bed and I told her to hold up her tits, where I unloaded all over her. A lovely session!

If you don't mind being unable to communicate most of the time, Atlanta is a very hot young escort
