It's busy and discreet enough for you to remain anonymous

The Lady:

Mercedes:- Tall curvy Ebony ..with big breasts and full big ass ..just like the pictures on her profile but dark long hair.

The Story:

Being seeing the profile for years- so I decided to call as I was free and had not much to do.
I called and agreed half hour -£80/30mins
She sent the post code and off I went
When I got to her location — I called and was given the directions to her door.
I knocked and I was greeted by a kiss as she opened the door.
I was happy to see a Busty buxom Ebony - even better in person . I was quite surprised and I complimented her right away -she laughed and ushered me in.
I was just happy to see full breasts to suck —I headed over the cash,which she stashed away
Back on the bed ..sucking her big breasts she moaned as she unzipped my trousers and pulled off ..reached out and began sucking my cock. It was wet deep just the way I like it. I could feel my balls filling up and about to burst
Then i told her let's do 69 - she agreed.
As I got up to change positions I could feel wetness on the bedroom where she was busy sucking my cock —
As I sucked her pussy ...and her big ass on my face...she even went deeper and wetter as she sucked my hard throbbing cock in her mouth ,couldn't resist any further ..I burst my cum into her mouth as she continued sucking.
We cleaned up and I got dressed as we talked about holidays and the weather.
We kissed and fondled each other by door and off I went to enjoy the weather.
