The Premises:

MKE is a well run clean and good place to visit, parking is easy and free and the entrance discrete. The receptionists / "maids"/are friendly and it was good to see that Coco was ensuring the new receptionist was being trained to high standards of customer care.

The Lady:

Olivia is a buxom lady around 5ft 3 wearing a short orange dress and high heels. She exudes charm and sexuality.

The Story:

Wow. Olivia really enjoyed making me happy. Paid attention to every inch as she started with FK and then moved down my body kissing every inch of my torso before turning her attention to my cock and balls. My whole body quivered in pleasure.

Followed by enthusiastic cowgirl and ending in missionary.

It had been a long time since I'd seen Olivia and I'd forgotten just how good she is. She really sets the benchmark for a good fuck.

She certainly gets the best out of me.

Also a great conversationalist, intelligent and well informed.

The perfect cerebral sexual partner.

Thanks very much.
