### The Premises:

Lamya works from a private house in wembley area, you are allowed to park on her driveway as there is not much more, still no need to know about this as not one worth seeing.

### The Lady:

Petite maybe size 8 as stated on profile, after my previous disaster I thought I had been lucky when I saw her.

### The Story:

Lamya asked how long and where do I come from on the phone, another racist little Hungarian to avoid. I did opt for 1 hour for £60 rather than 30 min for £40. This little minx looked great then onto the bed and everything went down hill fast. There was no shower together, no 69, and no pussy licking. Now as pussy licking is my fav I asked her to sit on my face, NO, we cannot do that as she thinks it is dirty, this must be her first day if she thinks that is dirty. She only want cowgirl and that is not face to face, she insists on keeping her hand on your dick blocking entry as she claims she is so small, yes she is but I am not hung like a horse. I told her if no pussy licking I would only stay 30 minutes, in fairness she did return the other £20 I had given her.

Still another one to avoid as all she wants is a couple of minutes get off, then get back on again so no rhythm allowed to build up.

KEEP AWAY from this racist girl as all she can talk about is the local black people at her shops, if she does not like it here she should go back to Hungary.
