### The Premises:

Kelly's is a well established parlour in Swindon. I have been here a few times before, it is safe and in a residential street.

### The Lady:

I have met Viki before, problem was I had forgotten her name. Quite pretty, around 5'6", slightly overweight but has a big problem; enough fanny hair to perm. This was not apparent when I gave her the cash or I would have left.

### The Story:

The massage was poor and she kept whinging about having a long day. This was followed by, 'I do not like that, do not do that and so on?'. I also know that she has repaired her children bikes and bought a bed, whoopee shite. Fact is she must have had lots of children, her tummy shows. I am far from happy, last time I was in Kelly's I saw Alison and left feeling great. Time before that it was Bonnie and she was cool too. Sorry Viki, I felt ripped off, show more enthusiasm or go elsewhere. I will visit Kelly's again, just not on the days Viki is working.
