The Premises:

This lady's place was very unprofessional rundown part of Luton, she makes you wait outside the door looking like an idiot.

The Lady:

This woman claims to be 20 but she looks more like 33, saggy tits and she was very smelly. DO NOT SEE HER WASTE OF MONEY, VERY RUDE.

The Story:

I called her but did not pick up and I told her I would be there, she gave me her door number as well and made me wait a long time. She then opened the door went upstairs asked about services she said full service, found out she does bareback. I should have wanked one out but stayed, everything was protected. It started off ok but then it felt like she wanted me to leave 5 minutes in which was annoying. I did everything protected, I advise everyone to do the same. once I came she wanted me to leave quick. I told her I need to put my clothes on. This part annoys me, she brings another customer into the room while I am getting changed, so unprofessional and not discreet. I advise nobody to go to these shit people. I saw other customers while I was leaving. DIRTY UNPROFESSIONAL PEOPLE.
