The Premises:

Ground floor flat near the main shopping centre. Lots of parking. Room clean and comfortable.

The Lady:

Frankie is a pretty girl with lovely pert boobs and an engaging smile. She has no tattoos.

The Story:

Very welcoming with a long kiss. She relaxed onto the bed and took me in her mouth giving a wonderful wet blow job. She was very good with her tongue. I had to ask her to stop so I didn't come too early.

I moved down to lick her fragrant pussy. Gentle, she asked. After lapping for some time she suggested we fuck. She rolled on the rubber then I entered her and had some lovely slow sex. We stayed in that position until I had a wonderful orgasm. It was the best fuck in a long time.

Frankie cleaned me up and we lay chatting for the rest of the time. She really is great to talk to and makes one feel at ease. There was no sense of hurry.

I'll be back.
