### The Premises:

Anyuta has a nice and easy to find apartment in the Kensington Olympia area. It's not far from Shepard's Bush tube station, Kensington Olympia station, or I suppose Earls Court and Baron's Court. Access to the apartment is easy, up three or four flights of stairs or the lift (one of those open cage type lifts – retro style). I wished I'd taken the lift actually, once I'd found her flat. Inside her room (she shares) it was very large and spacious. Double bed, with a nice table and some lounge furniture too. Anyuta has just moved apartment apparently and this was evident by her suitcase being open on the floor. A nice relaxing atmosphere. Good shower facilities

### The Lady:

Anyuta is definitely the girl in the pictures. She's only 20 years old. I asked her and she even offered to produce her passport to show me strangely enough. I wasn't questioning her age at all. She does look quite young too. She has a fabulous body, young and firm and very sexy. She has a smile that's cute and sexy too. She smokes, but she didn't during the booking. Her English is very basic. Friendly and lovely young lady.

### The Story:

Anyuta was wearing a matching red bra and panties when I arrived, with a nice pair of heels. She had little to no make-up on at all, yet she still looked amazing. She smiled and invited me to her bed where we began to kiss quite passionately. She enjoyed kissing softly, with a little tongue, nice and sensual rather than hard and passionate. She didn't cope well with me kissing her neck however, because my beard tickled her apparently.

She stood and took off her underwear and revealed a very hot young body. Very small boobs, but very perky with sticking out nipples that were very sensitive to touch. Her ass is a nice size, and not too firm and small, and I liked this. She has a lovely body. She gave me OWO nice and slow at first and then she started to speed up. She does a really nice wet BJ, but not too deep, although on occasion she did dive down on it, so to speak, and make herself gag and choke which was very hot indeed. I even managed to push her head a little here and there without pushing my luck too much.

We moved onto some missionary, where I managed to give it to her quite hard and she seemed to enjoy this. She said a few things in Russian that I didn't understand, but they were a real turn on.

Grabbed her ass and practically moved her on and off my cock, she is that slight and supple. Moved into some doggy and really went for it because I knew I was close. I pushed her down onto the bed and pushed her legs together so I could get her even tighter than she was, she was well wet by now so it felt great with my balls banging on her legs at the same time. I whispered in her ear that I wanted to cum in her mouth and she turned slightly and told me it was £30 extra. I agreed and continued to pound her until I was close.

Then I jumped off her, whipped off the condom and instructed her to sit on the edge of the bed. We didn't need much language to communicate this much thankfully. She sat there eagerly looking up at me with her mouth open and her tongue out as I jerked off over her face. Just as I came I pushed my cock in her mouth and she continued to suck until I'd done. Amazing! She calmly stood and spat into a tissue and strolled to the bathroom to clean up.

A lovely young girl who I would see again were it not for all the others on my list!
