Very discreet. Plenty of parking. Nice bedroom, well decorated. Greeted by a pleasant maid. My first punt and was put at ease as I was very nervous

### The Lady:

Very tall, leggy blonde, slim and nice boobs D or DD cup. Eastern European. Closely matches photo. Shaved. One discreet tattoo on her arm. No piercings. In her 20s

### The Story:

Amazing. Camilla is very classy with a pleasant personality and very fine taste. She came in in smart lingerie and a beautiful smile. She was wearing beautiful sparkly eyeshadow.

We started with lots of sensual kissing and then she let me go down in her. I soon made her cum (if I didn't then she is an amazing actress). I tried to continue but she stopped me as she was sensitive. So on with a condom and she insisted I fuck her. We started with missionary and I played with her clit to bring her off again. The rest of the session was a bit of a blur. She demanded I fuck her doggy in front of the mirror. She came again. I got her to sit on my face and got her to cum yet again. She likes to shout encouragement which was a real turn on. Then came an amazing BJ. As I am getting a bit older I find it hard to cum. So she tickled my balls while I finished myself off. We then cuddled and chatted for the final ten minutes of the session. Not sure how many times she came but it was quite a few.

I asked for A but she said not on first date but she enjoyed me putting the tip of my thumb in.

Chatting was good as we have quite a lot in common. We both love similar movies, especially early Bond, so we had a little bit of banter over her Eastern European accent.

Looking forward to seeing her again, very shortly.

She then cleaned me with wipes and I got dressed. At that point, I remembered I hadn't dealt with the paperwork so we sorted that and she saw me out with a beautiful smile and kiss.

Highly recommended
