The Premises:

As previously reported by many, clean & comfortable property, friendly and helpful maids. Plenty of free parking adjacent to premises.

The Lady:

Louise matched her photos on her bio but in the flesh you see just how stunning she really is. Mid twenties, tall, mop of blonde hair, porcelain skin, long legs, perfect rear, great boobs with protruding nipples, so pretty with a wonderfully friendly smile. Mini me was already standing to attention and saluting Louise.

The Story:

Just the perfect GFE from start to finish. Louise entered the room in a very sexy red bra and thong, started with nice get to know you kissing and mutual fondling before moving to the bed where Louise lay next to me and kissed and fondled for a while. Louise has lovely breasts with nipples that respond well to sucking and licking, she then licked my balls and maintained eye contact throughout. On with the rubber and some excellent oral, varying the pace and stroking my balls with her nails. More kissing and moved in front of large strategically placed mirror for some wonderful doggie before finishing back on the bed with those long legs spread wide for missionary with more kissing until I came. Fantastic half hour with a lovely, friendly, drop dead gorgeous, intelligent, fun young woman. Will be eagerly awaiting her return after the upgrade to D or DD!
