The Premises:

Vikki has a lovely apartment in the Earls Court area, close to the station. I won't pretend I haven't been here before of course. I recognise everything about the place. Top floor (out of breath!) Very cosy and spacious.

The Lady:

She is the girl in the pictures. She says she's 24 and I believe her. She is naturally very beautiful, and there has been little touching up on her face for sure, it's unbelievable. Her boobs have been touched up a little in the pictures though. She has enhancements, but they are not too bad. She is a very friendly Russian girl, very passionate, and speaks a little English, but it's basic.

The Story:

I was very happy to see Vikki had made a big effort for my booking. She had on a lovely black dress like I was taking her out somewhere. She had fixed herself up a little with some makeup, but she didn't need much to be honest. Her hair was beautiful, flowing and a little tousled. She looked amazing.

I have to say that this was one of the better GFE type bookings I've had. I always prefer the Russian girls for this because they seem to know what it means. She kissed me gently and then passionately and seemed to really get into it. We clawed at each other's clothes right there on the rug and I revealed her matching black, lace underwear. We continued to kiss and caress until we were both naked, then fell to the floor on the rug and carried on kissing. She took my cock in her mouth and gave me some lovely OWO. Nice and gentle and wet. She was playing with her pussy at the same time.

Moved onto the bed, got the condoms out and got straight down to it in missionary. Vikki clearly loves a good fuck and really gets into it. She wrapped her legs right around me and pushed my ass in as I fucked her, so I went in nice and deep. She was soaking wet and soon climaxed. I opted to turn her over then and gently massaged her shoulders and stroked her back as I moved up her body. She likes it nice and sensual. I entered her again from this position and we screwed like this until I just felt too close. I have to have her on top and get those boobs in my face before I finished.

She sat down on my cock and leaned forward for some more kissing. She was driving me wild with this kissing. She has to be one of the best. I could take no more and asked her to finish me in her mouth. She did this immediately, going fast then slow, and she allowed me to push her head a little so I could go real deep. I came nice and deep too and she gagged as it filled her mouth. She didn't take her mouth off, just kept sucking gently. What a woman.

I would strongly recommend Vikki to anyone. Would see again anytime.
