The Story:

I was let in the apartment and shown to the room. Took a quick shower and then waited a couple of minutes for bunny to come in. When she arrived she was straight into tongue action and hands all over me playing with cock and balls. I went down on her for a while before she returned the favour and gave my old fella a great bj. After more kissing and caressing she put the cover on and after a bit of mish and some cow girl we ended with doggie and came in no time at all. Bunny is probably the happiest escort I have ever been with. We had such a good time that as I was going out the door we realised that I hadn't paid the lovely lady for her time. I would definitely recommend bunny and will be returning in the near future.
