### The Premises:

Took a little bit of walking around to find the building. Nice apartment in a location that was easy for me to visit after work.

### The Lady:

June is slightly more mature than I usually see, but her location was so convenient for me to visit. The pictures are pretty accurate, she has a fit body and a sexy smile to go with it.

### The Story:

June is a German lady who has a calm and soothing grace about her. All in all she is a terrific performer. Her blowjob was fantastic with great attention to the sensitive bits.

Hot session of doggy over the bed. Massage with a interesting chat to end the session. I should add she is a very good kisser and really lets herself go with passion.

Cant beat meeting a lady like June to spend an hour with after a long day at work.
