The Premises:

A modern flat with discreet intercom entry in a new complex about a 15 minute walk from South Bermondsey railway station. It was very clean and cool inside.

The Lady:

It was not the girl pictured as is often the case, but it was a pretty, dark haired EE girl about a dress size 10 with lovely firm and natural medium to large size breasts.

The Story:

I enjoyed my session with Anabbele. The flat was modern, the room was clean and the session was relaxed and unhurried. The wording on the profile was accurate even though the picture wasn't. The big and natural breasts comment I can vouch for. Session wise I received slow and sensual covered oral sex

followed by sex in doggy position. I was in complete control but opted to conclude with a slow handjob.

It is always an added bonus when the girl you are with is educated and you can hold a good conversation.
