The Premises:

La Maison is a great parlour with many rooms and a large reception area. The shower was a problem to use, but Carmen knew how to work it.

The Lady:

Very small lady from Valenzuela with large tits, slim figure and older than the 24 years stated on the profile. She looked stunning in a black leotard. Her English was poor, but better than last time despite her telling me it was "marvelous". As far as I was aware it was her second "tour" as I saw her previously and was eager to renew the experience. However, the reality was far worse than the expectation.

The Story:

Started with her rubbing her firm tits over my cock and her sucking my now erect member bareback without asking whether I wanted OWO. She then asked if I wanted CIM which I agreed to and then carried on sucking until I came in her mouth. After the first squirt she jumped off the bed and dived for the sink to spit it out and rinse her mouth out with mouthwash (twice). However this left me on the bed with my dick continuing to shoot cum.

No french kissing this time or was I allowed anywhere near her pussy despite asking. In fact she even changed position on the bed so I couldn't reach her minge.

In and out of the room in 20 mins which included 2 showers.

Obviously she has learned a few tricks during her latest tour and may of been tired as she has been on the rota every day for weeks which will come to an end on Tuesday when she leaves.
