The Premises:

The premises is a bit out of the way, but it's easy to find and discrete enough. Wet wipes were provided and a shower with a clean towel. The interior was in good condition and seemed very clean.

The Lady:

Evie is about 5ft6, Size 14 to 16, 23 years old with nice blonde hair, a pierced tongue, and an exceptionally cute face with curves in all the right places.

The Story:

Buzzed the door and was let in and greeted warmly by two ladies.
Evie lead me upstairs where we sorted paperwork.

She is very bubbly and fun to chat to, which was great, not clinical at all.

I got undressed while she deposited the cash. When she came back I asked for owo which she happily did, teasing and making an art out of it, I pulled her lacy top down and she brushed her breasts against me, it was so exciting I just couldn't wait any longer to be inside her.

She stripped off and let me admire her figure, then condom on and she climbed on, she rode enthusiastically as I sucked and played with her breasts, she felt very tight.

We decided to switch to missionary after 5 Mins, where I was allowed to thrust hard as much as I liked and plenty of open mouthed kissing too, she seemed to enjoy it and when I touched her she'd got nice and wet.

I finished in the condom, and we had a chat and a laugh as we cleaned up.
This was a really great experience with a relaxed, sweet and fun lady.
